

CELEBRATES  
**AMERICA'S  
250<sup>TH</sup>**

★ ANNIVERSARY! ★

1776 ★ 2026

★ This year, Legacy Academy students will be celebrating 250 years of American history through hands-on learning, creativity, exploration, and play. Throughout the celebration, children will learn about important people, symbols, and ideas from our nation's history through age-appropriate activities designed to spark curiosity and imagination. ★

★ **BETSY ROSS & MY SPECIAL FLAG**

Students will explore how flags can tell stories and represent important ideas. Inspired by Betsy Ross and the creation of America's flag, children will design and create flags that reflect their own unique personalities, interests and classroom communities.

🔔 **LIBERTY BELL LISTENING**

Students will discover the Liberty Bell and learn how symbols and sounds help communicate important ideas. Through listening, identifying sounds and creative activities, children will explore the role the Liberty Bell has played in American history.

🗺️ **GEORGE WASHINGTON'S SURVEYOR ADVENTURE**

Children will learn that before becoming America's first president, George Washington was a surveyor who explored and mapped land. Our young explorers will practice observation, navigation, and map-making as they create maps of their own world.

🍦 **THOMAS JEFFERSON'S ICE CREAM SOCIAL**

Students will discover that Thomas Jefferson helped popularize ice cream in America. While enjoying ice-cream-themed activities, children will practice counting, sorting, graphing, and imaginative play while learning a sweet piece of history.

💰 **ALEXANDER HAMILTON'S TREASURY TREASURE**

Students will learn about Alexander Hamilton and his role in helping establish America's financial system. Through treasure-themed activities, children will explore counting, sorting, saving, teamwork, and decision-making.

★ Throughout this special celebration, children will connect with history in meaningful and memorable ways while building skills that support future learning. ★
